## Consent for Release of Records

I hereby allow my child's current school district of attendance to release copies of pupil records requested for review by Wisconsin Virtual Learning (WVL).

In considering an alternative application, WVL will not request and a public-school board may not provide any pupil records from any public school district or private school without written consent from the pupil's parents/guardians, except records described below:

1. The most recent IEP.
2. The most recent special education evaluation, if an IEP is not available.
3. Information that the pupil has been referred to his or her resident school board under special education referral s.115.777 (1) Stats. or has identified by his or her resident school board under the local educational agency duties s.115.77 (1m) (a), Stats.
4. Any expulsion findings and orders pertaining to the pupil, records of any pending disciplinary proceeding involving the pupil, a written explanation of the reasons for the expulsion or pending disciplinary proceeding and the length of the term of the expulsion or the possible outcomes of the pending disciplinary proceeding.

Wisconsin Virtual Learning (WVL) will not deny an alternative application based on a parent's refusal to consent to release additional records.

My consent for release of these records expires immediately upon Wisconsin Virtual Learning's (WVL) determination of acceptance or denial of my child's enrollment.
